---

## EXPERIENCE

### new normal - Developer

*Munich, Germany | March 2021 - Present*

Responsible for designing and developing templates for new service implantation, while also expanding on existing templates. Developed highly detailed mock ups. Create detailed UI specifications. Working closely with Marketing team to create content that helps define the company mission and goals.

### LiveRate - Developer & Designer (Contract)

*Munich, Germany | December 2020 – March 2021*

Created and applied design strategies for reusable components. Refined and finalized design details for various products. Designed with an awareness for responsive design. Collaborated with development team to launch the final products.

### Freelance Web Developer & Designer

*August 2020 – December 2020*

Worked as a freelance designer for an array of projects dealing with UI, logo, and web design. Communicated with clients to produce products that met and exceeded their brand requirements. Majority of this work was completed remotely.
